SOUR, GASSY,

"Pape's Diapepsin" regulates spohr, formerly a corporal in the United States Artillery at Fort Slocum, who your stomach and ends Indigestion in five minutes.

Wonder what upset your stomach—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and supset, and what you just ate has fermented into stubborn lumps; your head dizzy and aches; belch gases and acids and cructate undigested food; breath foul, tongue coated—just take a little Diapepsin and in five minutes you truly will wonder what became of the indigestion and distress.

Millions of men and women to-day know that it is needless to have a had.

The defense during Spohr's trial set

gestion and distress.

Millions of men and women to-day know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin, which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disorder stomach; it's so unnecessary.

-Woman's Danger Signals

Hot flashes—dissiness, fainting spells, headache, bearing-down feeling and ills of a kindred nature—are nature's danger signals. The female disturbance or irregularity back of these calls for help, should have immediate care and attention. Otherwise the delicate female constitution soon breaks down.

Favorite Prescription

This wenderfully successful remedy imparts strength to the entire system— ricularly to the organs distinctly feminine. Nerves are refreshed. The "stale", erworked business weman, the run-down house-wife, and the weary care-worn there of a family—all will gain strength from this famous prescription which years has demonstrated its effectiveness—in liquid or tablet form.
